AAOHN AWARDS

AAOHN RECOGNITION FOR EXCELLENCE IN OCCUPATIONAL HEALTH NURSING

Each year, AAOHN honors individuals and constituent associations for developing outstanding professional projects that promote occupational health nursing. The awards will be presented at the 1991 AOHC in San Francisco.

INDIVIDUALS

AAOHN Medique Leadership Award

The $1000 AAOHN Medique Leadership Award is funded by Medique Products, a long time supporter of occupational health nursing. The award is given to one occupational health nurse who has demonstrated leadership abilities and outstanding service to the profession of occupational health nursing. The award is to be used as financial support to attend the Conference of Presidents. A certificate of Award will be given at the AOHC. Funds will be provided after award winner provides proof of registration for COP.

Deadline for support materials is Feb. 1, 1991

Charles J. Turcotte Academic Scholarship Award

The $2000 academic scholarship funded by Otis Clapp is in memory of the late Charles J. Turcotte, a long time employee of the company and friend of occupational health nursing. The award, given to one occupational health nurse, is to be used as financial support for an academic educational activity. In order of priority, the award winner may use the funds to participate in a master's or doctoral degree program with an emphasis in occupational health; a baccalaureate in nursing degree program; or a field practicum at the AAOHN office.

Deadline for support materials is Feb. 1, 1991

CONSTITUENT ASSOCIATIONS

Constituent Association of the Year Award

Entries will be judged based on records of all activity in calendar year 1990.

Application deadline is Jan. 15, 1991

Education Awards

Annual education reports, submitted voluntarily, allow constituent associations to compete for AAOHN's education awards. One recipient from each of AAOHN's five regions is selected each year to receive a $100 award.

Deadline for submitting reports is Feb. 15, 1991

Membership Awards

The purpose of AAOHN's membership awards is to encourage constituent associations to maintain and increase membership. Participation is voluntary. Each local constituent association is eligible to compete. State associations are eligible in states that have no local associations.

Application deadline is Feb. 14, 1991
